President Visualizes Future Needs

President W. F. Lown, our spiritual and administrative head, dedicates himself to the present growth of MBC. Though continually solving current problems he drafts plans to meet the needs of a bright future. Visualizing tomorrow with the President is Nadine, Linda and Carol. Mrs. Lown teaches Decorum and Woman's Work in the Church at MBC. Linda is a sophomore in college; and Carol is a senior at Manhattan High School.

JOLIFFE HALL

Everyone enjoyed the Christmas Banquet which was held in the lounge.

Dr. Roger Carstensen, speaker for the 1961 T. H. Johnson Memorial Lectureships and from Phillips University, here recites "Jabberwocky" for the student body.

Joliffe Hall - Hub of Academic Pursuits

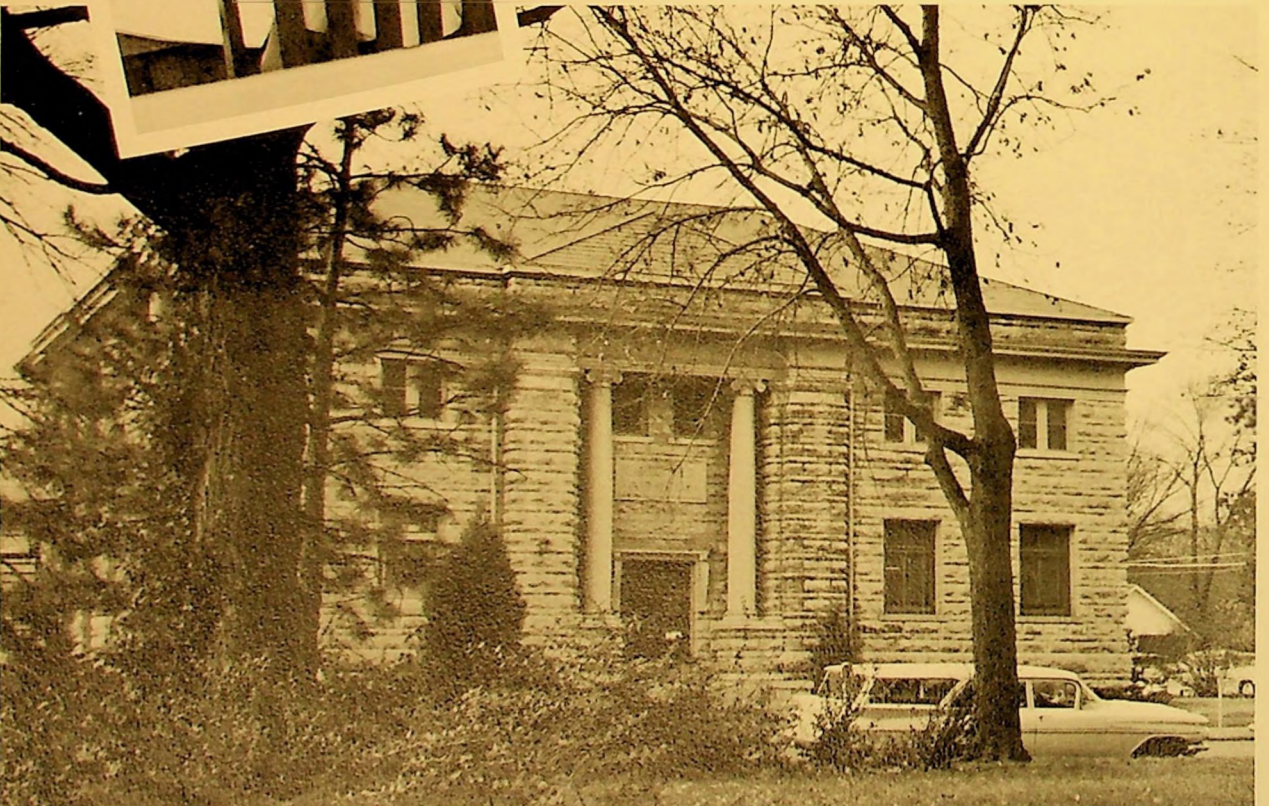

Located at Fourteenth and Anderson, Joliffe Hall stands as the main campus structure. This building is the site of many activities. Its facilities include administrative offices, large classrooms, the Laura Hunter Library, a spacious lounge, and a warm, friendly chapel. Here students become deep-rooted in Christian work and yet share many fun-filled moments.

The KANSAS STATE UNIVERSITY LIBRARY.

The MANHATTAN PUBLIC LIBRARY.

The MANHATTAN BIBLE COLLEGE LIBRARY.

Librarian Keeps 'on-the-go!'

Three library facilities; Manhattan Public Library, Kansas State University Library, and the MBC library--totaling over 500,000 volumes, are all available to all our students.

Martha Amlong, Librarian, along with student help, keeps the MBC library running efficiently. One of her biggest jobs is cataloguing approximately 300 books acquired for the library each year.

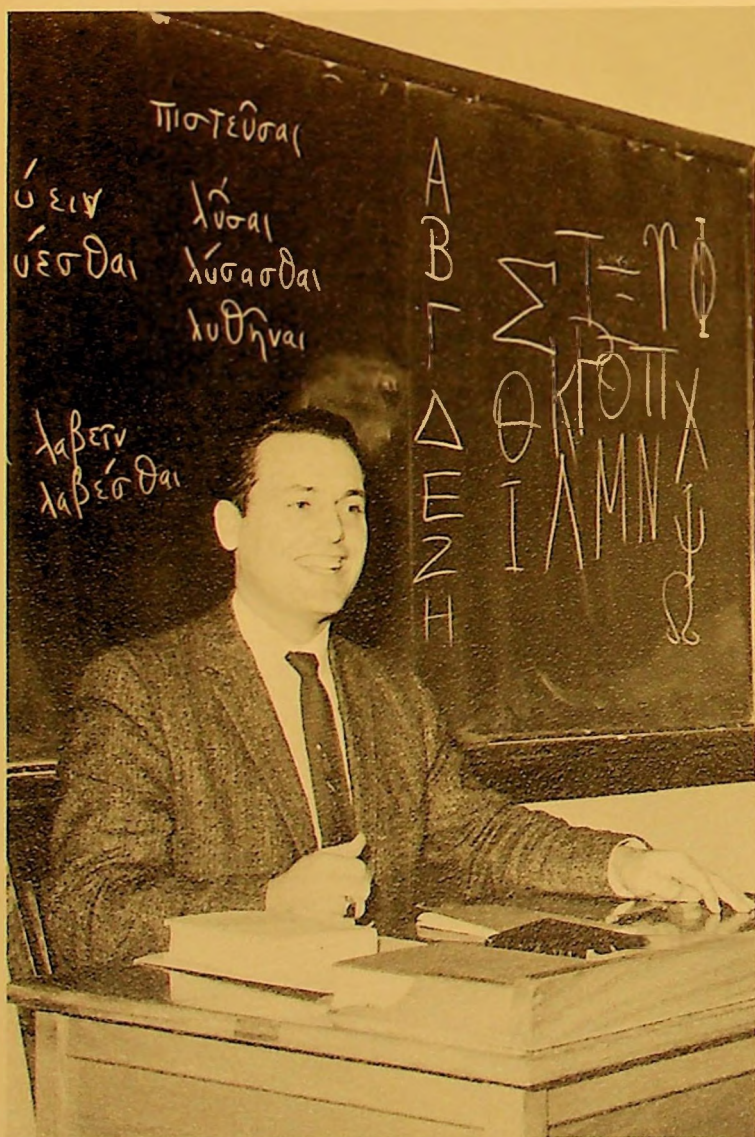

Greshams Combine Talents for MBC

Fall of 1960 brought Dr. Charles Gresham, a well-known leader in the field of Christian Education, to the MBC staff. Across his desk students received valuable instruction in Bible, Theology and Greek. Other responsibilities included coaching the MBC basketball team and sponsoring the Freshman class.

Mrs. Ruth Gresham acted as General Office Manager and Secretary to President Lown. Her duties included typing, filing and keeping the office running efficiently.

Second Semester Students

Second semester brought several new students, many of whom were transfer students from other colleges and universities. Special students throughout the year were Imogene Simmons, Sam Nickols, Mrs. Grace De ppe, Lynn Van Buren, Ernest Howell, Fred Embry, Carol Lown, and Kathy Middleton.

College Challenges Freshmen

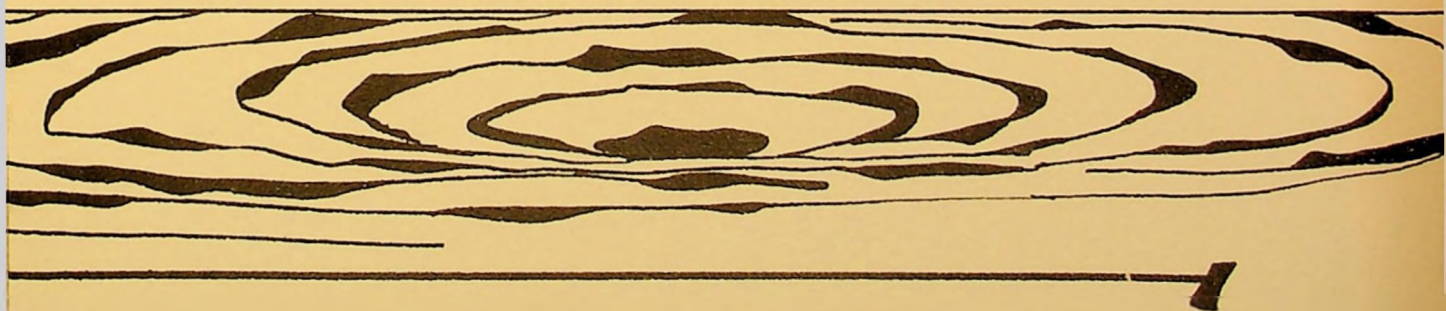

A whirlwind of events seemed to envelope the freshmen as they began their college career at MBC. Moving into a new environment, a formal dinner, orientation, and enrollment, along with meeting many new people kept the freshmen busy those first weeks. But as the time fled by they soon became a part of the normal school life at MBC.

Mens' Lives Dormitory

Christine House accomodates all freshmen men and other men students desiring to live there. Dorm life is filled with concentrated study, heated discussions, a barrage of practical jokes, and just plain fun.

At the close of each day, hearts are united together in devotion as a family. This time of inspiration and prayer binds us more closely together as Christians.

Enriched By Fellowship

Mrs. Johnson Mothers 'Family'

Being a watchful mother to 25 young men is a big task but it is capably handled by Mrs. T. H. Johnson. Mother Johnson, as she is known to the boys, always has a cheery word and a helping hand for her "family."

Dormitory

Housing 26 single women, Memorial Hall is "home" to its occupants. Mrs. Christina Hamon, dorm mother, oversees the emotional maturity, social well-being and spiritual growth of her charges. The girls, with Mrs. Hamon's help, find living together fun and rewarding. While associating in close fellowship everyone finds opportunities to be an example of Christian love.

'Home' Develops Well-rounded Personalities

Thursday night prayer cells accomplish mighty works through special communion services, singspirations and meditation.

Students Honor Dreher's

Occupying a warm place in everyone's heart are John and Ethel Dreher, our custodian and cook. Students, recognizing their hard work and service, held a special "Dreher Day" in their honor. All will remember the tantalizing aroma of Ethel's cinnamon rolls and John's ping-pong games.

'Action' Keynote of Games

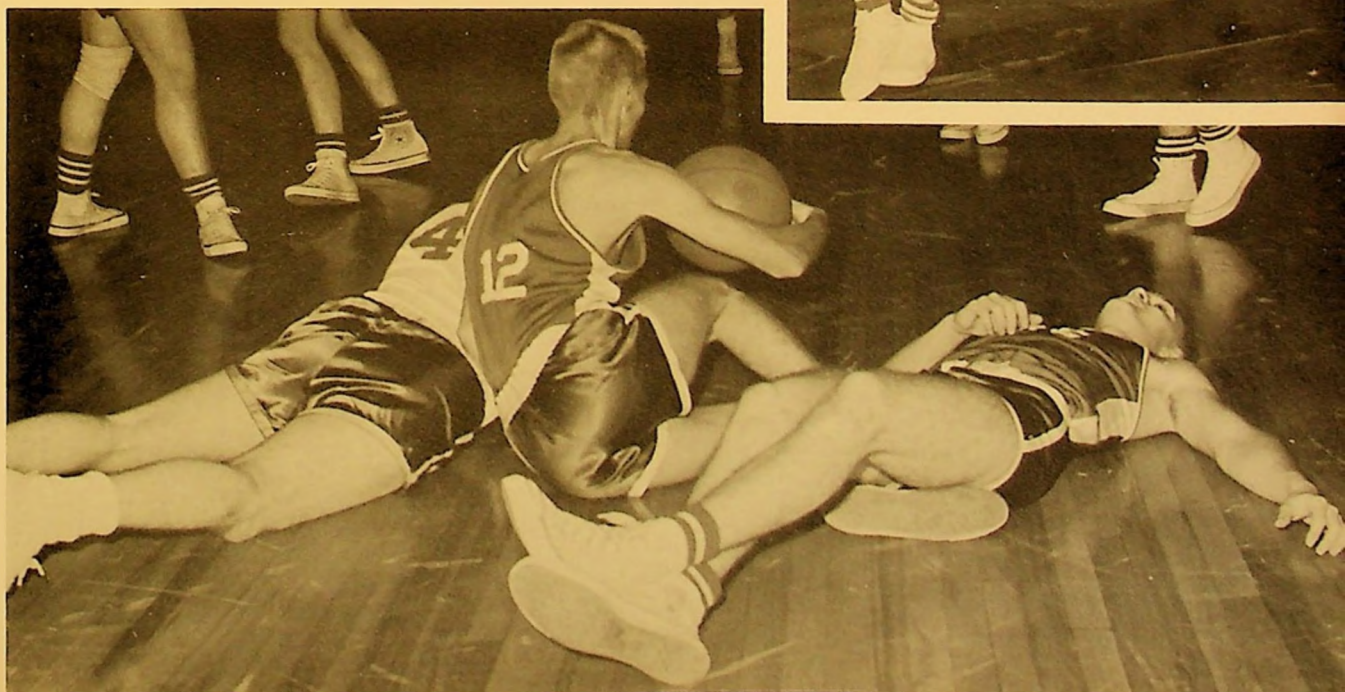

HOLD TIGHT BOB!

GET THAT BALL!

Athletic participation, another facet of our many-sided college life, provided an outlet for energy, promoted Christian sportsmanship, and boosted school spirit. The Crusaders, coached by Professor Charles Gresham, played enthusiastically in their fifteen scheduled basketball games.

Cheerleaders for 1960-61 were Linda Lown, Janice Bertrand, Ruth Cadoret and Shirley Muse.

Pep Club Organizes

Attending out-of-town and all home games were members of the Pep Club. Formally organized this year they heightened school spirits, posted "beat'em" signs, and held pep rallies.

YAH!

Co-eds Benefit From Phys Ed Classes

Although the college has no gymnasium, numerous facilities are provided for physical education activities. Skills were learned in many sports and the girls especially enjoyed participating in archery.

Inquisitive Sophomores Seek Answers

Enjoying their second year at MBC, sophomore class members engineered an all-school party and other projects. In the classroom they sought answers to their many questions in Christian Doctrine, Life of Christ, Homiletics and other courses. President W. F. Lown was their sponsor.

Juniors

Graduation only one step away, the juniors strive to learn the most possible in the short time left to attend college. They realize the future is full of happiness and joy for those desiring to serve Christ. Their main project was preparing the annual Spring Banquet held in April which honored the Seniors.

Dr. Van Buren Joins Faculty

--Good morning professor!

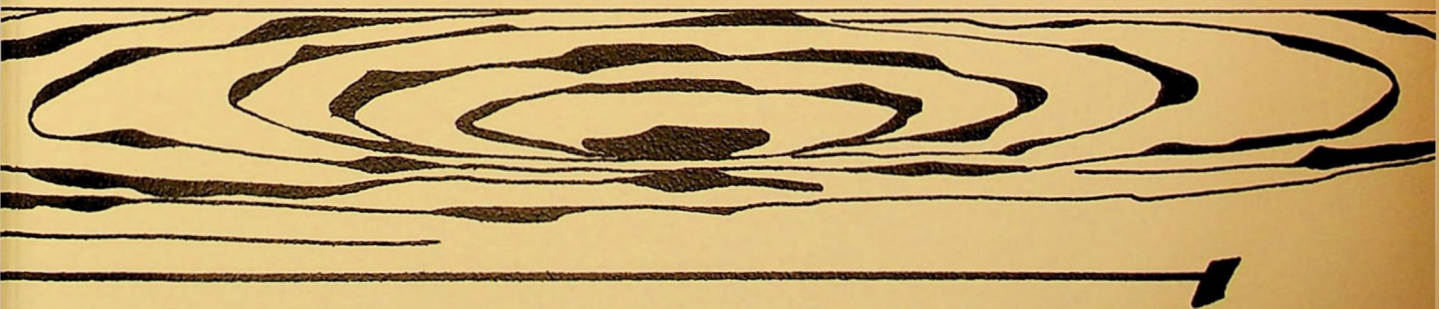

Dr. James G. VanBuren from Pittsburgh, Pennsylvania joined the MBC faculty last fall. Formerly a full-time minister, he is now Professor of Bible, Literature and Sociology and sponsor of the Junior Class. Although new in the field of education, Dr. VanBuren is inspiring all students to a better knowledge of the Bible.

Ensembles Harmonize

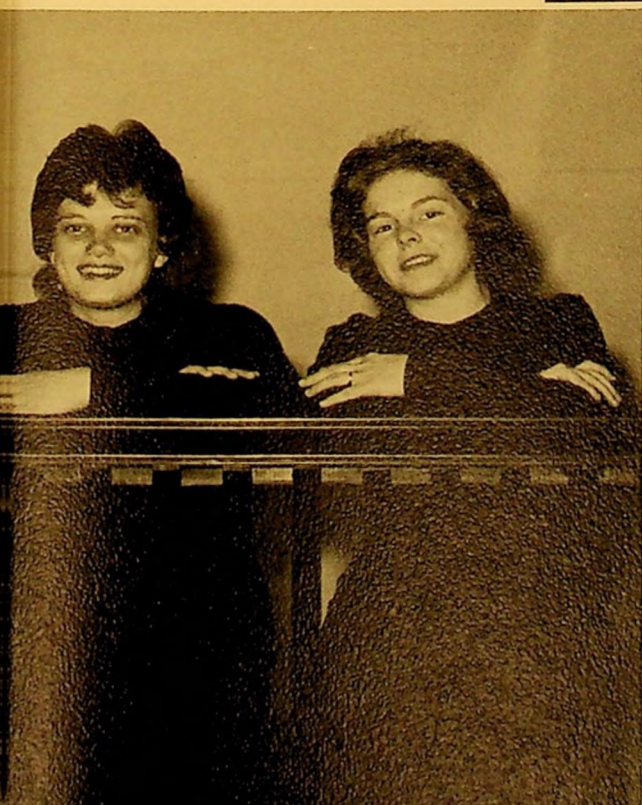

Bringing musical messages of Christ's love to Christians were three girls' ensembles. Traveling many miles, in snow and rain, both day and night, these groups enjoyed wonderful experiences of fellowship with new friends and each other.

THE HARMONETTES are Janice Bertrand, Eva Butterfield and Patsy Summers.

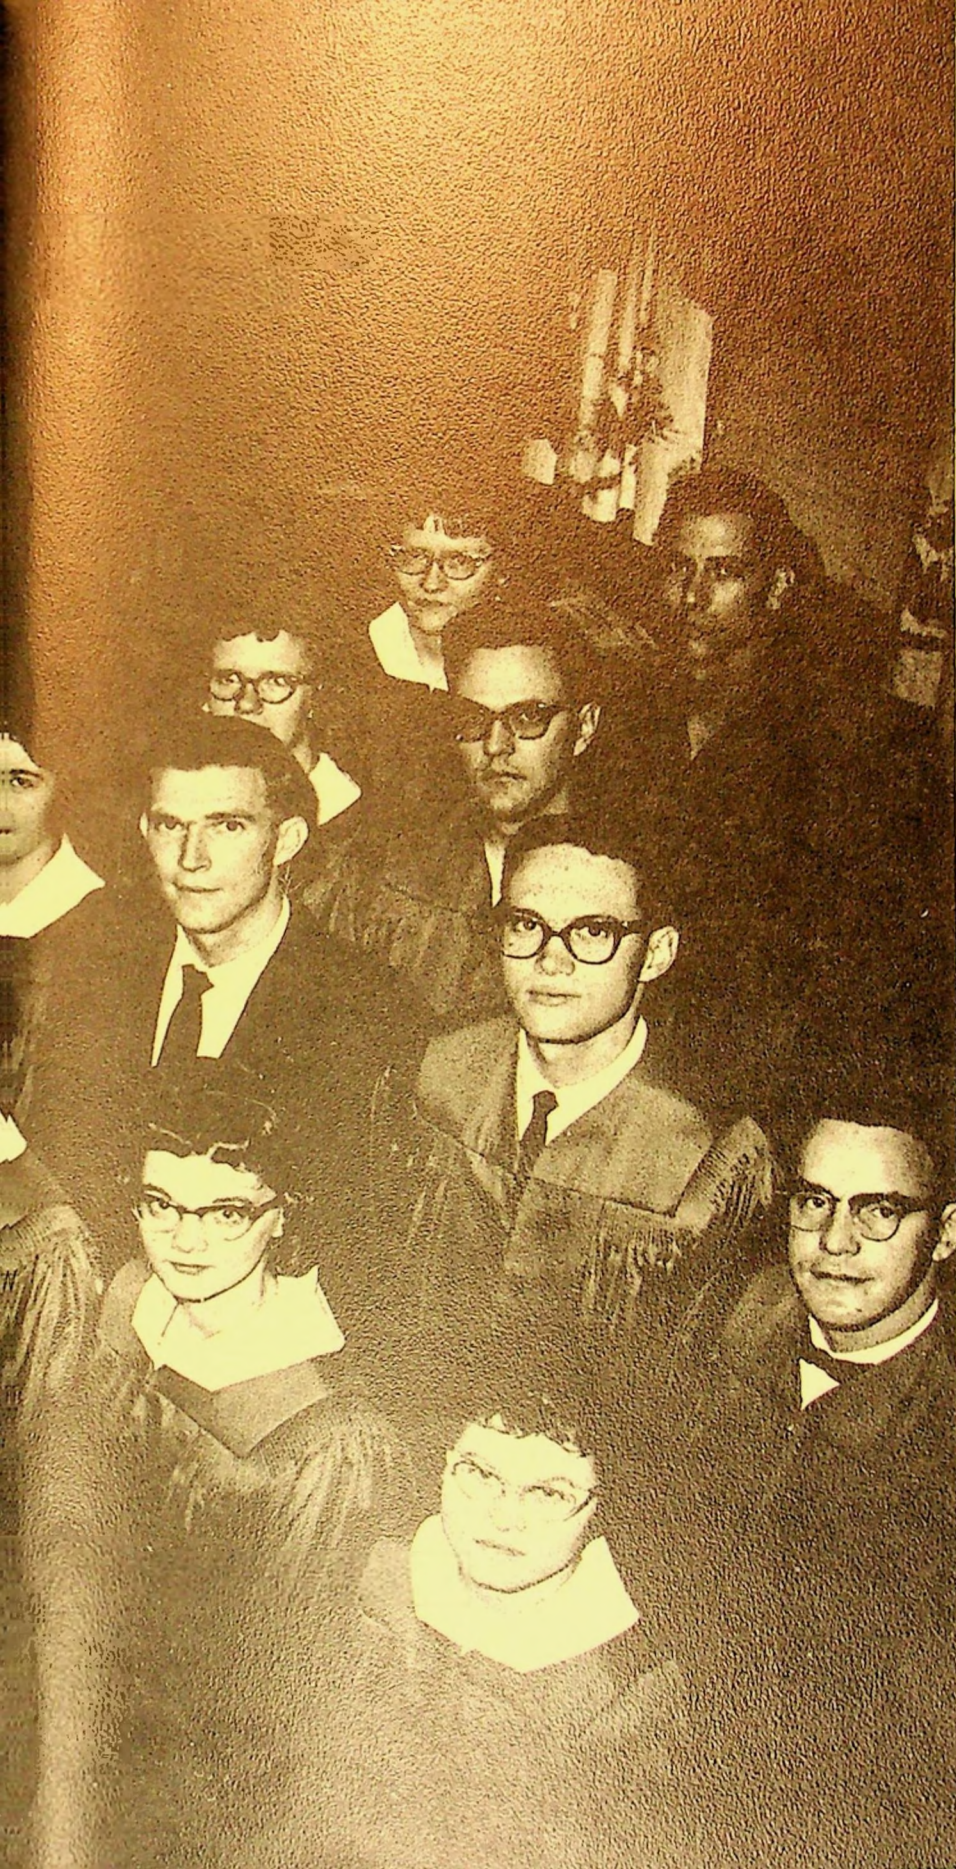

Linda Lown, Lewellyn Parrott and Lynn Hoyle comprise another girls' trio.

Members of THE DISCS are Colleen Lowe, Shirley Muse, Ida Siegmund and Dixie Summers.

MBC NEWS MABICO TEACHING and COMMUNICATIONS

At the center of this furious but fascinating world of technic and idea, principles and personalities, Mr. Wallace R. May, Director of Public Relations and Professor of Communications and Old Testament, finds life sometimes frustrating but always exciting.

ACADEMIC work this semester includes Radio, Hebrew Prophets, and Oral Communications. A WEEKLY RADIO PROGRAM called "Moments of Inspiration", recorded in the studios of MBC and released over KKAN in Phillipsburg, is another part of the public relations work. NEWS RELEASES for local, regional and national publications usually begin with a click of the shutter of one of the PR cameras. Wally processes the film and makes prints during the night. Story and captions are written by Mrs. Christina Hamon, PR associate and mailed out.

From these and other pictures, copy and artwork comes the MBC NEWSa paper with a circulation of 12,000 monthly. Mrs. Ruth Gresham prepares the copy on the IBM typewriter and the editors prepare a layout for use by the engraver who makes the

plates which are used on the college printing press. Other brochures, programs and pamphlets are also run on this press by the PR department. After about 20 hours of printing the paper is ready for folding by Miss

Lynda Bowman. She and Mrs. Nadine Lown

address, bundle and tie these papers for the Post Office, a process requiring one week.

As faculty advisor for the MABICO, Mr. May

furnishes darkroom work and some photography. CONVENTION DISPLAYS are

designed, prepared and usually manned by the

PR personnel as a part of our national program

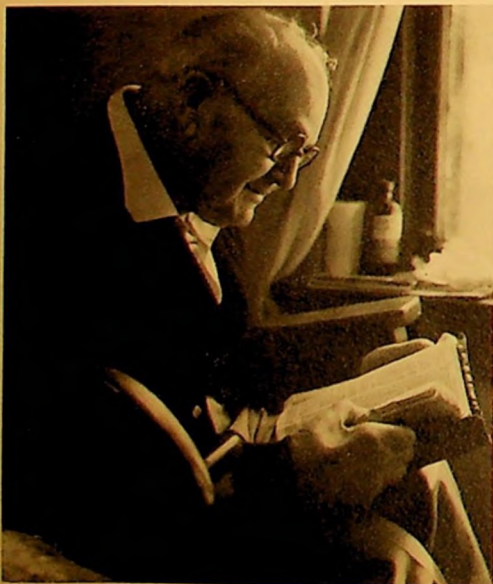

of public relations. Mr. Don Rutledge serves

as an artist designing and preparing materials.

Alpha Beta Chi

An awareness of the importance of missionary activities was promoted by Alpha Beta Chi, the missionary organization of the student body. The annual hayrack ride was a project of ABX. Wally May was the faculty sponsor.

Left: Eli, a patient at the IOOF Home for the Aged where ABX holds Friday night services, reads his Bible.

Dr. Walton Cole, Minister of the First Methodist Church, spoke at January's meeting.

Sundoulai

Social, cultural and spiritual advancements were the objectives of Sundoulai, MBC's womens' organization. Special emphasis was given this year to the "Minister's Wife" and her duties. Sundoulai was under the leadership of Mrs. Lown and Mrs. T. H. Johnson.

Completing their undergraduate study at Manhattan Bible College, the Class of 1961 departed instilled with a fervor for service. The years of concentrated study now seemed worthwhile as they

finally reached the long awaited goal. Special recognition was given the seniors as the honored guests at the Spring Banquet. Climaxing the college term were Baccalaureate and Commencement.
